

# Will You Help Me Move For \$10,000.00?

Then come on. I am going to give the people about that much to help me and I want you to have your share of it. So come with your wagons and teams, cars, carriages, market Baskets, and what not, ready to carry a load, but be ready to carry full loads.

Here's the proposition: I have to move the 10c Store to 220 South Main Street. But I have there the stock of Groceries formerly owned by J. T. McCown's Sons. I cannot move the 10c Store in on top of the Groceries. I must make room first; so to make room quick and move at the same time; I will give away, absolutely free to those who help me move it, one-fourth of the entire stock, consisting of:

General Merchandise at the 5c, 10c and 25c Store, about	\$ 30,000
Groceries at 220 South Main Street, about	10,000
Total, about	40,000
Your Share 1-4 of It Is	\$10,000

Here's the plan. You come into the 10c Store, 112 East Benson Street, or to the Grocery Store, 220 South Main Street, and select all the merchandise you are willing to carry and pay for. What ever amount you select and pay for at the regular price we will give you a check for one-fourth that amount on the other store at the regular price, to be delivered to you absolutely free of cost. That is: Every 4c purchase at one store gives you 1c free at the other store, and every \$1 purchase at one store gives you 25c free at the other store. A \$100 purchase gives you \$25 free and so on and on and on.

You say, "Mr. Minor, how can you do it?" I say, "Mr. Johnson, I just do it to move." You say, "How long?" I say, "Till the stock is moved." It may be a week or two weeks, but I am going to move and move fast. So don't be late and don't be slow; I want you to do your share and get your share of the pay. Remember, everything is spot cash and an amount equal to one-fourth your purchase is absolutely free to you at either store on everything but special sale items at the 10c Store and at the Grocery Store 1-8 free on Hay, Oats, Corn, Sugar, Flour, Meal, Hams and Bacon. Sale begins Wednesday, July 29, and continues until stock is moved.

**C. S. MINOR, 5c, 10c, and 25c STORE**

## MRS. BERTHA BANISTER CROMER.

A Tribute to a Lovely Woman from Rev. T. H. Hargis.

Editor The Intelligencer:

Miss Bertha Banister was born near Mt. Bethel church, 33 years ago and died July 16, and was buried the following day at Silver Brook cemetery. When about 14 years of age her father moved to Anderson where she lived the greater portion of her after life. She attended regularly upon the service of the Second Baptist church, which church she united with and was baptized by Rev. William Brown.

She sat under his ministry for years and also under Mr. B. F. Mauldin as Sunday school teacher until she became a teacher herself. Some 15 years ago she was married to Mr. Ollie Cromer. Seven children were born to them. Six of them with the husband are left to mourn her going away.

About five or six years ago they moved out to Calhoun and she soon united with the Shady Grove Baptist church of which the writer was pastor. It was there the friendship which lasted until her death was begun.

She loved to talk about religion and never seemed to be so happy as when so engaged. Many were the allusions she told as coming from Rev. Brown and Mr. Mauldin, showing that she was a good listener. Her Bible is used as texts.

She was a good Christian woman, wife, mother, neighbor, free from anything selfish. It was a pleasure to be her pastor, much more could be said but space forbids. Truly we can sing, "Sleep on, beloved sleep and take thy rest;

Lay down thy head upon thy Savior's breast, We love thee well, but Jesus loves thee best."

Good night, good night, good night.

Until we meet again before His throne Clothed in the spotless robe He gives His own.

Until we know even as we are known, Good night."

R. H. Brown.
